### **ABOUT THE 24 HOUR PLAYS**

Four writers, four directors, and sixteen actors meet in a room late at night. The actors have polaroids taken. Each writer randomly draws four photos. A director is assigned. Then, they leave. But they'll be back, bringing with them four original plays to present to the public- *all within twenty-four hours*. Theatre Vertigo is proud to present the third installment of the critically-acclaimed *24 Hour Plays*! Driven by inspiration and caffeine, the playwrights pen the scripts, and the actors and directors spend the following day in rehearsal. Tickets are sold, the audience take their seats, and these original plays are performed as written- with *no* improvisation! Don't miss this exciting one-night event! Last year's *24 Hour Plays* sold out to standing room only- make your reservation today!
